2024 24th International Scientific Conference on Electric Power Engineering

EPE 2024

Call for papers

May 15–17, 2024
Hotel Dlouhé Stráně, Kouty nad Desnou
Czech Republic

organized by

VSB TECHNICAL UNIVERSITY OF OSTRAVA | **FACULTY OF ELECTRICAL ENGINEERING AND COMPUTER SCIENCE** | **DEPARTMENT OF ELECTRICAL POWER ENGINEERING**

Conference Objectives:

The International Scientific Conference goals are to serve as, a forum for an interchange of experience; a presentation of research findings and practical aplication; a place of meeting for university scientists and industry workers who engage in research and technical activities.

IEEE PES Power & Energy Society®
Czechoslovakia section

The papers from previous EPE conferences were published in IEEE Xplore digital library and indexed in Scopus and the Web of Science.

Conference Topics:

The International Scientific Conference focuses on key problems of today´s power engineering that stem from both technical and economic needs of the power industry. It also deals with research activities of development institutions and universities.

Main Topics:

Operation of Electrical Power System – Power Stations – Renewable Energy – Energy Storage – Control of Electrical Power System – Heating Systems and Intelligent Buildings – Electrical Technology – Electrical Power Transmission and Distribution – Smart Grids / Cities / Technologies – Electric Lighting – Reliability, Maintenance and Diagnostics – Electrical Machines and Devices – Power Electronics – Power System Protection – Information Systems

Auspices:

Moravian-Silesian Region

BRNO UNIVERSITY OF TECHNOLOGY

CTU CZECH TECHNICAL UNIVERSITY IN PRAGUE
